About the Cornerstone Awards

The Cornerstone Awards program honors businesses making a meaningful and lasting impact in their local communities. These companies are not only economic drivers — providing jobs and fueling growth — they are also exemplary stewards — devoting time, talent and money to community development and philanthropic initiatives. Honorees include companies of all sizes and industry segments that have made a commitment to strengthening the foundation of the communities they call home. Honorees are profiled in the July/August issue of *SmartCEO* magazine and celebrated at an awards luncheon in August, where category winners will be announced live.
